Thank you again if you bought along your Mat or Milly to the 2005 event, I hope you will again come along this year. If you have not been along to any of the past gatherings, I can ensure you of a friendly welcome amongst the like minded bunch that do attend, so please do come along and be part of what is hoped to be an impressive line up of these wonderful vehicles of AEC. The record so far was 30 Mats & Millys, this achieved in 1999.

To mark this 10th event we are encouraging owners to get together with 50 vehicles which will make for a sight to remember in commercial vehicle preservation history. THE event not miss as an owner or enthusiast. Hope to see you there in August!

Overnight camping & toilet facilities are available for exhibitors from Friday to Sunday. I do hope you can come along to this year's event, please do not hesitate to contact me if you need any further information.
